

2017 Southeastern Animal Fiber Fair

By Beverly VanHook-Schrey

On October 27 & 28, SAFF, The Southeastern Animal Fiber Fair, hosted its first sanctioned Pygora fleece and goat shows. The judge was Lisa Grzeskowiak. The shows were successful and quite popular. We look forward to an even bigger Pygora showing at SAFF 2018, October 26-28, 2018. Gary Depp was kind enough to take photos of this year's goat show winners and share them.
